The Yankee Clipper—"Flagship" of the Shore Line Fleet

BOSTON 4¾ HOURS NEW YORK

This finest day train in America offers the utmost in luxury to those who travel between Boston and New York. In the club lounge, luxurious chairs of striking design are finished in blue Morocco leather and blue moquette. Green mohair supplies the motif for the parlor lounge, and rattan easy chairs finished in green Morocco leather for the sun room. The Colonial dining car is entirely distinctive, with its dolphin and shell ornaments.

At 3:30 P. M. the Yankee Clipper, a train with a personality, leaves each terminal for its run over the romantic Shore Line Route. Paralleling the course followed by old time Clipper ships, the splendid flier clips off the minutes in its swift schedule. Its personality is accounted for by its speed, by the beauty, comfort and arrangement of its cars. Due to arrive at its destination at 8:15 P. M., the Yankee Clipper typifies the best in rail transportation.

National Outboard Association

REGATTA

at

MIDDLETOWN, CONN.

THERE'S many a thrill in watching daring outboard drivers in action. This contest, particularly, will be well worth seeing, for it has drawn Division and State Champions from all parts of the country.

The battle for National trophies begins on October 11 and continues through October 13. Eastern Division Championships, open to drivers from Florida to Maine, will be held on October 10, the winners competing in Nationals.

Here is an opportunity to see an enjoyable exhibition of speed and skill, with each event of great interest. Plan now to attend.

The National Menace

FIRE

Like a gigantic octopus, Fire exacts an enormous yearly toll of life and property.

Help stamp out the sources of destructive conflagration by eliminating possible Fire hazards.

Use Fire with caution, keeping it under control, and teach others to do likewise.

Men Who Travel

appreciate an opportunity to shave, wash up, and don fresh linen with as little delay and effort as possible.

The performance of these essential details of grooming is a real pleasure in the amplified dressing rooms provided at Grand Central Terminal, New York, and South Station, Boston.

Here the traveler with limited time at his disposal will find up-to-date refinements -- wash rooms, shower baths, and compartments for change of attire.

Lighting and lavatory appurtenances similar to those one expects in a modern hotel make enjoyable the task of "sprucing up" a bit. A convenient bootblack stand meets the demand for a quick shine.

The dressing rooms in each Terminal are easily accessible from trains.

All Aboard for the Big Games!

No matter where the big game is to be played, you can travel there comfortably and conveniently over the New Haven Boulevard of Steel. Tedious driving, highway congestion and parking problems simply don't exist when you go by train.

There's excellent trolley service, too, at New Haven, Springfield, Worcester and other cities—where a fleet of electric cars waits to carry you to and from the field of battle.

You'll have a wonderful time—no matter whether you ride in a Pullman or in one of the New Haven's splendid new de luxe coaches.

While enjoying a pleasant journey you can talk over prospects without interruption—picking the winner as you please.

And after the parade of triumph has circled the field, you board your train once again. The time passes delightfully as each thrilling play is re-enacted and credit given where it is due.
